

Gingerbread House

Cut out the house.
Fold along all of the dotted lines.
Tape or glue tab A inside to form a box.

Fold the roof sections toward each other, and tape or glue tabs B, C, D, and E inside.

Fold and tape or glue the scalloped section (F) on top to complete the roof.

For the bottom, fold tabs G, H, and I inside. Finish up by folding up and taping or gluing section J.
